

2010 Awards

National Impact

Award Category: National Impact

The National Impact Award is presented to a company/organization that has most positively represented the St. Louis IT community on the national information technology/management stage in calendar year 2009.

Award Criteria

The National Impact Award winner will have demonstrated significant, prestigious, on-going recognition in national media such as print magazines and journals, newspapers, radio/TV, published rankings, awards, etc., from January through December 2009. Nominees need to submit the following in addition to the items required for all award categories:

- A list of publications/recognitions
 - Date of publication/recognition
 - URL (if available) for each publication/recognition
 - A brief description of each occurrence and how it brings positive attention to the St. Louis IT community
-
